LETTER FROM THE PRESIDENT

Welcome everyone to Key West and the 31st Annual Kelly McGillis Classic International Female Flag Football Championships.

Key West is a unique place, so small it cannot be called an island, it's a key. Getting around Key West will be easy. You don't need cars, you can ride bikes, mopeds and even walk to most places. Our community is filled with diversity. The Mayor of Key West, Teri Johnston, will welcome the teams at our opening ceremonies. Our mayor played in the 2003 KMC tournament on the Fairvilla Loose Women's team and received MVP Defense and Defensive All Star. J.T. will give all our players "One Human Family" bracelets and so whoever you are, you are free to be you here in Key West. I have just found out that Kelly herself will not be able to attend the tournament, she apologizes, sends her love to all the teams and promises to attend next years 32 KMC.

The IWFFA was created because of the Kelly McGillis Classic and we are more than just a sports organization. I am proud to say that all of the international teams who are competing in the KMC, are the fruits of our IWFFA promotional tours, and this is something that makes our women's organization so unique. The IWFFA is willing to travel to countries to teach how to play flag football, coach, officiate, develop their leagues and bring our philosophy which is: winning is not important, but rather knowing how to play your position so you can make the best decisions on the field and to focus on your next play while having

fun. These are life skills to be developed, to know and understand what's going on in your community so you can be active, participate and be a leader to make great changes. We want competing teams to be friendly with each other, play clean, make new friends and play their best flag football.

Our 2022 promotional tour was very busy for the IWFFA. Covid travel restrictions were lifted for most of the countries. We traveled to: El Salvador, Mexico, Morocco, Sweden, Spain and Guatemala. There we established our gateway to Africa as our Moroccan trainers will travel to new countries in the region for 2023. Spain opened up our European region, new teams were created in Central America, we found our venue in Sweden where the IWFFA women's professional flag football will be begin in 2025 and the pro league will have each region of the world represented! Mexico is now the home for our Afghanistan women and girls flag football players, who we trained in 2018. We got them out! The IWFFA initiated this effort by finding a way. On November 16, our first group of Afghans flew into Mexico city. We have more work left to raise money for the 2nd group still in Afghanistan. You can read the full story here:

Message From Kelly McGillis

I would like to thank and welcome all players, referees, and fans to the Kelly McGillis Classic. I also must thank Diane. Her excitement and passion for women's Flag Football has been unwavering. It is she who really de-

serves the credit for this annual event. I am just a "name" but her love and devotion to making the world a bit better for female athletes around the world has made all of this possible, not only possible but an annual event! My admiration for her has grown over all these years and I am grateful I can call her a friend. My hope for those who compete in the Kelly McGillis Classic is that you not only have a great time, but also find a bit of that passion and commitment to one another and for one another, and for the sport itself. Yes this is a competitive sport, and yet it is more than that. It is an opportunity to find common interests, for new friendships, and to support one another as female athletes. You have worked hard to compete in the Classic. Acknowledge that and be proud of that. You have found a small piece of your voice by being there. Use it wisely; use it loudly; use it proudly. And most importantly....have fun and play hard.

With great love, respect and deep admiration,

Kelly McGillis

TEAM OWNERS WINNERS CIRCLE

Team Owners who will join our 2023 Winner's Circle

Once a women only tournament, the girls first started to compete in our Kelly McGillis Classic in 1998. (It was actually Kelly McGillis who said she would loan us her name, if we included girls in the tournament). For us winning is not emphasized, but rather camaraderie, understanding the game, over coming the challenges on the field and having fun. We are a developmental program to build great leaders for our future and the well being of our communities, work place and each other to make a better world.

In 2009 we were incorporated into the Monroe County schools supported by then Monroe County School Superintendent: Randy Acevedo. Today the program continues to receive support from Monroe County Schools in so many ways with use of their fields, help with our insurance, use of gymnasium so our Key Largo team who travels far can compete. So, we thank School Superintendent Theresa Axford, the school board, and all the school principals and coaches in the Monroe County School system.

Through the years the girls division had grown exponentially with over 300 girls competing. The IWFFA then had great difficulty to afford all the girls teams. So, we initiated the "Team Owner" program in 2010, which has opened the doors for all girls in the Florida Keys to play flag football for free. Schools from Key Largo to Key West compete in our annual tournament and it is possible through our Team Owners. Thank you.

Special thanks to our 2023 Team Owners

To afford the school-flag football program, we sought "Team Owners" who would help to financially fund and become directly involved with their team. We are grateful to each group and business who are local "mom and pop" businesses who cared for the girls and wanted to see them succeed and represent their school's. Each business will soon join

our "Winners Circle" officially at the girls awards ceremony. Their name plates are displayed in our Monroe County Schools on our "Winners Circle" plaque.

Letter *FROM THE PRESIDENT*

continued from p.3

I am very proud of our Mom Coaches, I love our Dad coaches as well, but these mothers were willing to coach their daughters, some not knowing how to play flag football or who never coached before. They had the guts to take on this task in order to show the girls that women can be leaders in a sport dominated by the men. It's important that we create the female style to play flag football because in the USA, our flag football has been heavily influenced by tackle. We do not tackle players, we grab their flags and our game should be played with finesse and strategy. We want to show the girls that women are leaders and they too should grow up to lead the way for a better future. When one of my girls puts her belt & flag on the wrong way, I ask another player to help her. If someone on the team is not doing something correctly, I tell the other girls to take the responsibility to explain to her how to do it the

right way. This is how we begin to promote helping and supporting on another. In unity and support for one another, we can do anything as a team and as a community. Please read this tournament program in it's entirety. There is much more information I have not included in this letter which is very important to know. Take a look at the advertisers, sponsors who supported us. Please show them your support and give them your business. I want to thank all the parents, coaches, team owners, advertisers in this program, volunteers, players and teams, for without each other this event would not be possible.

Have a great time here in Key West, play your best flag football and experience the excitement. 🎯

Sincerely, Diane Beruldsen

Blue Heaven Restaurant - On September 19, 1992 Suanne the artist and Richard the writer cooked and served black beans, rice, and fish to their first lunch customers on the painted picnic tables under the tropical almond tree of their fine outdoor dining area. Before then, through the years, the property has hosted cock fighting, gambling and Friday night boxing matches refereed by Ernest Hemingway. A dance hall, a bordello and a playhouse have occupied the second floor. Today inside the Bordello Gallery above the restaurant, one can still peek through the sliding peep holes into the tiny rooms.

The restaurant has grown, just as the history and stories of the property itself, and has turned into one of the most fun, delicious and popular places to dine. Blue Heaven contributes and supports the community heavily over the years. And their owners are active citizens to better conditions for all.

Salute Restaurant - Sue and Rich had opened another fun restaurant in Key West called Salute ! and it's right on the beach. Volleyball, beach, salty water and a beach side café serving Italian and island style food.

► **Women Speaker Series -** We have so many international women at our Kelly McGillis Classic events, we thought it would be a wonderful opportunity to hear what it's like to be a woman in their country. How are the women treated? And we've heard some great stories in a dozen countries. This year, we hear from 3 Afghanistan flag football players who share what it's like to be a woman before - during - and after the Taliban. We also will hear from: Morocco, Guatemala, Honduras, Jamaica and our special guest speaker: Meg Cabot.

► **First State Bank**

For years, this local bank has assisted the Kelly McGillis Classic by providing volunteers to help with the event. Their work program invites their employees to

sign up for events, and then receive time off work. So, the bank is really paying their employees to be here who help us tremendously. From selling raffle tickets, food concession, information table. holding chains, etc. they are the most experience group of volunteers with big smiles on their faces. First State Bank is the Best Bank in the Florida Keys..... and the whole world.

Each year, the IWFFA goes into schools in the Florida Keys to offer girls flag football drills to give them a taste of the sport. If girls like flag football, they sign up and can represent their school to compete other schools and the annual Kelly McGillis Classic. Our program is free to all girls. For our program to be successful, there are many persons and pieces involved. Special thanks to: Teresa Axford - Super-

► MOM'S COACHING THEIR DAUGHTERS 101

We initiated this program in 2020, because our organization promotes female leadership, and we were giving it away every year to the dads. We also want our young players to see their moms as leaders and to have the wonderful opportunity for both to bond on the field. We want to create the female style of playing flag football, and what better way than to put the women, some who never coached before, and some who know nothing of flag football, in charge. And what we have created is something every sports program should incorporate. This year we were fortunate to fill every girls team with a mom coach and we hope you will witness a new style of playing flag football especially when it comes to the competition. We will see for ourselves in the tournament. I thank these brave moms who were willing to coach their daughters flag football team and support our female philosophy for girls flag football. They are dedicated, caring and thoughtful coaches and leaders in their own right.

Thank you Moms coaching their daughters this year:

In Memory Of and in Honor Of

Latisha Tiare Alce
- Coach - Player -
Mom - One of the
Best Key West,
Florida

On July 23, 2022, we tragically lost one of the best coaches ever for girls and women's flag football. Latisha Tiare Alce was loved by all in the Key West community. She was a strong and passionate woman who cared deeply for the girls and women's flag football and gave her all to the program. Since 2008, Latisha coached multiple girls and women's teams: Bahama Blue Jays, Blue Heaven Blue Angels and R.F.T.N. SOSA women's flag football team which was named after Latisha's son: Trevon Dondre Albury who was murdered November 19, 2020. Latisha was a force to reckon with on the field as well, as one of the strongest players we ever had. She was 44 years old.

We will miss you Tyree. You had a heart of gold. We send our condolences to her family and friends and R.F.T.N. SOSA women's flag football team.

We have designated a special award in honor of Latisha to the #1 coach of the tournament which will be presented at the Girls & Juniors Awards

Crime Stoppers is an organization that provides a means by which the general public, young

or old, can get useful information regarding criminal activity into the hands of law enforcement personnel.

This system works for several reasons.

First of all, when citizens like you call the Crime Stoppers Hotline (269-STOP or 372-STOP), you can remain anonymous. Secondly, the information you have could be

critical in solving the case. In addition, cash, yes cash, rewards of up to \$1,000 are paid for information that leads to the arrest and charges filed against criminals involved.
