Purpose and Intent of the International Women's Flag-Football Association (IWFFA)

The IWFFA is an International unity of Flag Football Players, Teams and Leagues. In our society winning tends to be emphasized more than pure competition itself and the values and/or benefits of competition can be lost. It is the desire of the IWFFA, through it's games, to promote, organize, offer competition, increase skill level, develop strong character and leadership skills, high self-esteem, encourage good sportship as well as comradeship amongst other athletes and to professionalize the sport for females. The spirit of the game lives in effective blocking, aggressive flag-grabbing, tireless pursuit, skillful running, passing and kicking, & well-planned game strategy. This positive atmosphere cannot be maintained unless the spirit, as well as the letter, of the playing rules are observed.

Establishing Principles of Good Sportship

While the code attempts by rule and penalty to prohibit all forms of unnecessary roughness, unfair tactics and unsportlike conduct, it is impossible to list every conceivable dishonorable or unethical act which might take place. It is the responsibility of players, coaches, officials and team supporters to maintain the highest ethical standards. Deliberately violating the rules in the hope or expectation of not being detected is deplorable and indefensible. No true athlete should violate any of the unwritten rules which exist for the good of the game. Coaches need to be responsible for conduct of their players as they all are a reflection of the IWFFA and all it's athletes. The negative actions of a few individuals may ruin the reputation, enjoyment and integrity of the sport for all.

Code of Ethics

- Respect to opponents, officials, organizers and own teammates - off the field as well as on.
- Fans who show disrespect to opposing players become a liability rather than asset. Therefore, fans need to be educated and included in the code of ethics to promote a healthy, positive atmosphere for all involved.
- Courteous treatment of all opposing players, fans, officials and administrations.
- Refraining from acts of discourtesy, such as derogatory remarks addressed toward players, taunting action, jeering for decisions made by officials against the opposing team. Graciously accepting the decisions of the officials.
- Being humble in victory and gracious in accepting defeat.

LEAGUE PLAY / FIRST ROUND TOURNAMENTS / POINT SYSTEM

During regular season play (for leagues), or first round of elimination (tournaments), games can end in ties.

Win = 3pt / Tie = 1 pt / Loss = 0 pt.

Tally of these points will rank teams. Should a Tie Exist after using point system – **IWFFA Point Tie Breaker** will be used:

IWFFA POINT TIE BREAKER

If a tie breaker is necessary (Teams have same amount of points accumulated from their games):

IWFFA Point Tie Breaker will be used & are listed in priority:

- 1) Offensive points – Defensive pts (the team with higher number advances) (if a tie continues)
- 2) Team with least amount of Defensive points advances (if tie continues)
- 3) Team with highest amount of Offensive points (if tie continues)
- 4) Head to Head will advance– If two teams tied, played against each other during tournament, and there was a winner, then the winner will win the Point Tie Breaker and advance. (if tie continues)
- 5) Use IWFFA Game Breaker

SEEDING TEAMS DURING PLAY-OFF SITUATION

Teams will be seeded:

(4) teams: 1 vs 4 / 2 vs 3

(8) teams 1 vs 8 / 4 vs 5 / 3 vs 6 / 7 vs 2

(16) teams: 1 vs 16 / 9 vs 8 / 5 vs 12 / 13 vs 4 / 3 vs 14 / 11 vs 6 / 7 vs 10 / 15 vs 2

- Play-Off s are Single Elimination.
- Teams enter play-offs with a clean-slate. If you loose any game in the play-off, you are out of competition (unless a wild card exists)
- Previous tournament record does not apply. For example: Your team can have a 6 - 0 record, and during the play-offs, your team loses your first game against another team that made it into the play-off with a 4-2 record. Your team is out of competition.
- If a team forfeits during play offs opposing team will keep it's seating and take the win. Forfeited team takes lowest rank in play offs.
- If a team forfeits during Championship Game - opposing team will keep it's seating and next highest ranked team will play the championship game. Forfeited team takes lowest rank in play offs.
- Should there be a tie in the play-off bracket, only those scores during play-off games will be taken into consideration and IWFFA Point Tie Breaker will be used.
- If tie continues, total tournament scores of those teams will be used for Point Tie Breaker.
- If tie continues, IWFFA GAME TIE BREAKER to establish winner will be used to advance teams.

IWFFA GAME BREAKER TO ESTABLISH WINNER

During tournament play, in play-off or championship situation - game is over - a tie exists - where a winner must be determined and at end of second half should the teams have identical scores the tie shall be resolved

- Referee will choose which end of the field to play on for IWFFA Game Breaker and Sudden Death
- Each team receives 1 time out for the IWFFA Game Tie Breaker period (s) . Any time outs remaining from regulation will be nullified.
- There will be a 2 minute break immediately following regular game time.
- A coin toss will be done and winner will choose either to receive ball first or defend.
- Both teams get a chance to score. First team A plays (series) , then team B plays (series) . This constitutes an overtime period
- Each team receives 4 plays (considered a series) from the 10 yd line and tries to score (crossing goal line).
- Any penalties resulting during play will be assessed and applied (as in regular game play)
- Field goals are not allowed.
- If the ball is intercepted, ball cannot be run back to the other end of the field, but offensive team looses possession of the ball and ends that series for them.
- After the TD is scored (6 points) extra points conversion will follow.
- If score is matched (tied) after first over time period (both teams have played their first series), a second overtime period will be played . If tie score still exists, a third overtime period will be played . If score is still tied after completion of the third overtime period, the IWFFA Sudden Death procedure will be used determine the winner .

IF AFTER 3 IWFFA GAME TIE BREAKER PERIODS AND A TIE STILL EXISTS

The ball will be taken from the 20 yard line
Teams will get 1 series (4 downs) only for the 20 yd. attempt
Both teams will be given the chance to score.
After scoring - Team will attempt conversion

If after 20 yard line IWFFA Game Breaker does not produce a winner - Sudden Death Will Take Place

IWFFA SUDDEN DEATH

- If after 20 yd IWFFA Game Breaker and a tie still exists - The following IWFFA Sudden Death procedure will be used to determine winner.
- A coin toss will be done and winner will choose to either play offense or defense
- Each team will receive one time out during the IWFFA Sudden Death procedure.
- The first team to score from 10 yard line will be the winners (ex: If team A wins coin toss, and receives ball, and immediately scores, they are winners – even though team B never had a chance) .
- Team that won will also be allowed to score extra points following their winning touch down (this is done for IWFFA Team Ranking)
- If necessary, until a winner is decided, there will be a repeat of this series until a team scores.

IWFFA RANKING OF TEAMS

- The IWFFA ranks teams around the world, by using a unique ranking system.
- During each sanctioned IWFFA tournament, and including final seasonal results of sanctioned IWFFA leagues, teams accrue points according to the number of games they have won or tied.

Each win = 2 pt. / Each play - off win = 3 pts. / Each tie = 1 pt / Loss = 0 pt.

- Teams who come in first in their entire division or league receive additional 3 pt.
- All teams who participate will receive 1 pt (regardless if they win or lose any games).
- Their total number of tournaments points will be tallied and used to rank among other IWFFA Teams.
- Any ties will incorporate IWFFA Tie Breaker .
- North American , Nordic Region, Latin Region, Asia Regions and associated leagues from other countries will be ranked
- Teams who rank #1 in their division will be awarded at Kelly McGillis Classic following year.

Division of Play for Women

Once a team registers it's level of skill: Beginner, Middle, Lower, Higher in any IWFFA tournament, then that will be the category the team continues to be ranked among for the remainder of that year.

Youth Divisions

- 9 - 11 yr. - **Girls** / 12 - 15- **Juniors (16 - 17 yr. play in women's division)**
- Younger girls may play up (with written permission from parents) , but older girls may not play down in younger division.

PROTESTS - Judgment Calls may not be protested

Protests must be made following disputed play and before snap of it's next play

- 1 Rule Interpretations will be handled on the field to avoid unnecessary delays and it is the Referee who has the final "judgment".
- 2 Protesting team will call a time-out after the play in question happens. If a time out is called at any other time, it is charged as a time out and the "incident" will not be discussed.
- 3 All the Officials on the field will talk with "protestor". The "protestor" is required to state
- 4 their "protest" clearly and concisely, stating which rule they believe to be interpreted incorrectly
- 5 The "protestor" has approximately three minutes to state the "protest" and the rule (it is best to carry out a set of IWFFA rules to prove your point).
- 6 The referees will then confer at their discretion to determine whether rule was interpreted properly.
- 7 If the referees determine that the "protestor" was correct in their interpretation of the rule then the team will not be charged the time-out and the play will resume according to the correct interpretation (necessary adjustments will correct situation).
- 8 If the referees determine that they interpreted the rules correctly and no "protest" exists than the "protestor" will be charged the time-out and play will resume as it would have prior to the time-out.
- 9 During tournament play, the decision of the Referee is final. Addressing Tournament Director, President of League, etc. will not change outcome of Referee's final decision.

INTERVENTION BY THE Grievance Protest Committee (GPC)

"Protestor/Protesting Team" or tournament director must file a grievance as to the alleged misinterpretation of the rule or any other incidents during tournament within with in 30 days of the incident .

- GPC will review the grievance by interviewing the referees, "protesting" and non-protesting teams representatives and/or captains, and field volunteer(s), or any other party deemed to be necessary to a fair disposition.
- GPC will review the statements of parties and applicable rules to reach a decision.
- GPC will notify the "protesting" representative in writing of their decision within 30 days or a time deemed reasonable in their discretion.

The grievance will be classified in one of three ways:

GRIEVANCE FOUNDED NO IMPACT: GPC agrees with "protesting" team, however, the misinterpretation of the rules did not impact the outcome of the game.

Tournament Director, IWFFA office and Officials will be notified of GPC decisions.

GIRLS & JUNIORS ATTACHMENT FOR KICKS

(for field goals and extra point kicks - kicking tees can be used - no "setter" required)

Girls & Junior divisions play with same rules as women, but
DO NOT allow fake kicks, must declare kicks & will adhere to the rules for kicks as described below.

PUNTS (for girls division)

On any down, should the offensive team decide that they do not want to run or pass for a first down, or attempt a field goal, they may punt the ball to the opposing team, to put them in better field position. Captain declares to Head Official that team will "punt", and teams will line up:

Punting team Once declaring intention to punt, Punting team must punt (no fake punts allowed).

- Must have 7 on the of scrimmage line.
- Center will shot-gun snap the ball between legs to punter who kicks the ball to receiving team.
- Once punting team is "set" no one should move before ball crosses line of scrimmage.

PENALTY: Illegal procedure - 5 yards from line of scrimmage / Down repeated

- Should kicking team reach ball before the receiving team, by simply touching the ball, it will be dead at the spot, and will be receiving team's ball - first and ten.

SNAPS: Direct Snap (QB directly behind Center, hand to hand exchange of ball) and shotgun snap (Center snaps ball between legs & ball travels a distance) are legal. Ball must be caught cleanly/cannot touch the ground.

Penalty: Illegal snap - 5 yard penalty from line of scrimmage / Repeat the down

RECEIVING TEAM ON PUNTS (for girls division)

Line Up Formation - exactly 5 players on the line of scrimmage.

Penalty: Illegal Formation / 5yd / Repeat Down

Set Position - Ball must cross the scrimmage line before anyone can move.

Penalty: False Start / 5 yd / Re-Kick

Rushing - There is no rushing the punter.

Out of bounds - Should ball go out of bounds, that is where ball will be spotted.

Receiving team will always receive the ball.

FIELD GOALS (for girls division)

- Captain shall declare "Field Goal" to be attempted to Referee / Head Official
- There is no "fake kick"
- Should the kicking team attempt a field goal on the first, second or third down, it is the same as kicking the ball on the fourth down, they have sacrificed the rest of their downs.
- There is no rushing the kicker
- Ball must travel thru the two uprights and above the bar in order to be a successful field goal – 3 pts awarded
- Following a successful field goal, team will "Kick – Off" to opposing team from 30 yd line.
- Anyone on defending team may return kicked ball or down the ball (if unsuccessful field goal)
- Should the ball hit an upright and return onto the field, it is considered out of bounds and cannot be played.
- An unsuccessful field goal should be declared as a dead ball - receiving team will take possession at the 20yrd if the field goal was from inside the 20yd or previous spot/LOS if attempt was outside the 20yd.

TEAMS LINE UP FOR FIELD GOAL (for girls division)

Field Goal Team will line up: All players on scrimmage line, except setter and kicker.

- Center must snap ball between legs (shot-gun) to setter
- Setter - may use a block tee or can have hold ball upright on ground (no "T" kicking tee allowed to be used)
- Once team is "set" no one shall move until ball crosses scrimmage line
- **It is allowed to kick off Kicking Tee - and not use setter or center to snap ball**

Defending / Receiving Team

- Will line up 5 players on the scrimmage line and 3 players in their own back field.
- Defensive players on line, may not rush the kicker, but may jump up and down to attempt to block the kick, and may not cross the line of scrimmage

LINE UP FOR EXTRA POINT KICK (for girls division)

- Will be same procedure as for field goal kick - **It is allowed to kick off Kicking Tee**
- Failed kick may not be returned by defending team, ball will become dead, extra point will be No-Good.
- If penalty against defense and offense misses goal, offense team will be given another chance for kick.
