# LETTER FROM THE PRESIDENT

Welcome everyone to the 17th IWFFA - Ptown Classic Women's Flag Football Tournament and welcome to Provincetown

equipment and supports the women to coach so that young girls can see the women as leaders in this sport.

Since 1997 it has been IWFFA memberships which supports girls and women flag football players all over the world.

The tournament this year had been pushed up a week, due to another sporting event taking place next week, which took over our regular sports fields: Motta and Jerome Ave fields. Therefore, we decided to move up the event in order to try not to conflict with team's regular fall flag football seasons.

The IWFFA 2023 promotional tour traveled to:Guam (league development), Honduras (team development), Cuba (competition and humanitarian), Mexico (league development and humanitarian)

Switzerland (team development) and Sweden (women's flag football festival). The purpose of our promotional tours is to promote and grow female flag football and our international organization.

I want to thank our IWFFA board of directors who have been helping to solicit advertisements and sponsors for the 17th Classic while I myself had been traveling this year for the IWFFA promotional tour. Many thanks to organizers of the Boston Stars & Stripes tournament in July:Alicia and Alex who did a great job, and some of which teams you will see in this Ptown Classic. I want to welcome Nini Salinas,secretary to the IWFFA who travels from El Salvador, Bente Furru who travels from Norway and both women will be assisting me with the Ptown Classic tournament.

I will leave the IWFFA in 2026, and new female leaders will take my place to run and continue the International Women's Flag Football Association. Now is the time to truly get involved in the IWFFA as we have much work and organization ahead. Our 2024 promo tour takes us to: Pakistan, Thailand, New Zealand, Tunisia

The tournament this year was very close to maxing out, in other words, we almost had 8 teams to compete. Pittsburgh, the First Order and California did not make it but were vying to enter. What this means is, if you will register for next year, I suggest you register your team as soon as your team confirms competing in the event. At this time, the tournament is an 8 team limit unless we go to a 3 day competition, or a 2nd field, in which case we would need to field at least 10 teams.

and Libya. We welcome women to join us as we teach girls and women flag football and develop their flag football leagues in their countries where the women are the leaders. Don't forget in 2025 you'll see the IWFFA professional women's flag football which will be hosted in Sweden and it is our IWFFA tournaments that will decide which players to invite for tryouts. Awards given out at this tournament will have a new meaning. So hold on everyone cause we're going places and we're going fast! Thank you for being an IWFFA member and thank you for your support.

Teams competing in the tournament are: 518 Stars, Maniacs, Dolphins, RI Hurricanes, Blue Wave and the "Underground Loose Women team".

This tournament has so much wonderful energy contributed by all. Many thanks to Courtney of Sommer House Inn, Maxine of Toys of Eros, Liz at the Bike Shack, and Provincetown office of tourism. Thank you to our great crew of officials: Renee, Jane and Mark. To all the players and volunteers and fans and special thanks to all the team organizers: Lisa, Alicia, Abbie, Erin, Roxxy and Mary Angelini.

This year the work of the IWFFA has clearly defined our organization. We are a women's organization who supports girls and women around the world and we have done some amazing work to support our oppressed female flag football players in other countries. We got asylum for 72 of our Afghanistan female flag football players and their families to Mexico in 2022. This year we were asked by humanitarian organizations to travel to Mexico for a month in order to use the sport of flag football to train, strengthen, empower, integrate our Afghans, female refugees from other countries, women in shelters, and orphans. See our video to understand better the work we accomplished

Play your best flag football, clean and fair, make new friends and have a great time in Provincetown.

<https://youtu.be/NN0HsEjYVd8>. We also traveled to Cuba this year with 350 pounds of food, clothing and medical supplies, because our players in Cuba are having a very hard time due to their horrible economy and they struggle to get basic necessities. In other work, we have begun our girls flag football programs in: Morocco, El Salvador and Mexico where women will coach girls and their programs will be free as the IWFFA supplies the

Sincerely, Diane Beruldsen
