LETTER FROM THE PRESIDENT

Welcome everyone to Key West and the 32nd Annual Kelly McGillis Classic International Female Flag Football Championships.

As soon as you come into town, you must get out on the water! Check out the companies and sail boats listed in this program. And please patronize the businesses you see in this program, because they have supported our event. Tell them you are flag football women.

I highly recommend renting a bicycle to get around town. Good exercise, no parking fees, save on gas, no need to look for parking. Yes, it will take you longer to get where your going, but you'll be stronger for your games. Monday we have a wonderful bike tour which shows you some of the history behind Key West. We've structured some crazy events for you to have fun and to take the edge off of the competition so you can make friends with the other teams. There is strength in unity and friendships are a good way to bond forever.

Kelly McGillis is here and she will be the judge for all our contests. Terri White, famous singer / actress (who's who) joins us as well not only in the judging, but likely in the singing. Two of our Afghans whom we successfully got out of Afghanistan and asylum to Mexico will be with us competing in the tournament. Najeebullah Fayeze will coach the Fairvilla Loose Women's team and Najia Fayeze will play on the El Salvador team (hopefully next year we'll have a full Afghan team). The three women will be our Grand Marshalls for our Kelly's Players Parade.

Mexico is here, which has been awhile and top teams from the U.S. (congratulations Rhode Island Dolphins #1 2023 team ranked in the world for women's flag football), Honduras, Guatemala, Morocco, El Salvador will converge for some fantastic flag football action. We've got our top notch officials this year. Head Official: Georgeanne Lewis will lead the way joined with other Americans: Aric Hughley, Dean

and Dennis Lauria, Tom Wosko. Ron Hachhouch from Morocco, Karen Cruz (Guatemala), Juan Carlos (El Salvador) and yours truly (that would be me). Remember, any player who is also an official can play and get paid for games she officiates. Also, players from other teams are welcome to join the loose women's team (should they need to borrow players). Of the three fields at Wicker Field Complex, two are now artificial turf fields (just redone). Players should wear leggings and long sleeve shirts for those dives. Bring two pairs of shoes, one for grass and one for the turf. It's not the end of the world, if you don't have these equipment's, but be prepared to slide and feel pain.

IWFFA did some heavy traveling this year promoting flag football, this event and empowering females of all ages. In March we sanctioned a new league in Guam. April we went to Honduras and started two new teams in a new region. IWFFA was invited by a group of humanitarian organizations in Mexico for the entire month to train female refugees, women in shelters, girls in orphanages to empower, integrate and incentivize these groups to be part of the Mexican society, and strong leaders using IWFFA 8 on 8 flag football. Trainers Nini Salinas, Paula Rojas and Gabriela Gonzalez from Central America joined myself during the month in this effort which was very successful. We traveled to Cuba twice (because it's so dire), bringing supplies such as: food, clothing, medical supplies and of course flag football equipment. Many thanks to the local Key Westers who donated all the supplies (families in the Keys are very generous), and thanks to the girls, parents and women who joined the trip to give our Cuban flag football players competition. We are trying to bring a Cuban team to next year's Kelly McGillis Classic. If you can help in some way, please do. To continue with our 2023 travels.... the IWFFA added a tournament in Boston, MA which

Message From Kelly McGillis

I would like to thank and welcome all players, referees, and fans to the Kelly McGillis Classic. I also must thank Diane. Her excitement and passion for women's Flag Football has been unwavering. It is she

who really deserves the credit for this annual event. I am just a "name" but her love and devotion to making the world a bit better for female athletes around the world has made all of this possible, not only possible but an annual event! My admiration for her has grown over all these years and I am grateful I can call her a friend. My hope for those who compete in the Kelly McGillis Classic is that you not only have a great time, but also find a bit of that passion and commitment to one another and for one another, and for the sport itself. Yes this is a competitive sport, and yet it is more than that. It is an opportunity to find common interests, for new friendships, and to support one another as female athletes. You have worked hard to compete in the Classic. Acknowledge that and be proud of that. You have found a small piece of your voice by being there. Use it wisely; use it loudly; use it proudly. And most importantly....have fun and play hard.

With great love, respect and deep admiration,

Kelly McGillis

TEAM OWNERS WINNERS CIRCLE

Team Owners who will join our 2024 Winner's Circle

Once a women only tournament, the girls first started to compete in our Kelly McGillis Classic in 1998. (It was actually Kelly McGillis who said she would loan us her name, if we included girls in the tournament). For us winning is not empha-sized, but rather camaraderie, understanding the game, over coming the challenges on the field and having fun. We are a developmental program to build great leaders for our future and the well being of our communities, work place and each other to make a better world.

In 2009 we were incorporated into the Monroe County schools supported by then Monroe County School Superintendent: Randy Acevedo. Today the program continues and we thank School Superintendent Theresa Axford, the school board, and all the school principals and coaches in the Monroe County School system. Through the years the girls division had grown exponentially with over 300 girls competing. The IWFFA then had great diffi-culty to afford all the girls teams. So, we initiated the "Team Owner" program in 2010, which has opened the doors for all girls in the Florida Keys to play flag foot-ball for free. Schools from Key Largo to Key West compete in our annual tournament and it is possible through our Team Owners who support the program today. Many thanks to our 2024 Team Owners who now join our our "Winners Circle" officially at the girls awards ceremony. Their name plates are displayed in our Monroe County Schools on our "Winners Circle" plaque.

Their financial support for so many causes has made the Sunrise Rotary an integral part of our Keys community. Key West Sunrise Rotary Club in the Conch Republic was started in 1988. Local Ro- tarians felt that it was important that Key West have a Rotary Club that welcomed women mem- bers so a group of individuals got together and chartered a new club. The first President was Roy Anderson, who later was elected District Govern- or for Rotary District 6990. Charter members were: Steve Hen- son, Kim Works, Rich Welter, Percy Curry, Sparky Carbonell, and Mike Horne. was very successful bringing new teams to our organization. Morocco was great and their teams are very strong. El Salvador was a great tournament receiving much praise from the travel teams. Switzerland was a bit weak. Our IWFFA Sweden Flag Football Festival was fantastic! A week of camping in the woods (women only), playing flag football throughout with other activities such as yoga, meditation, canoeing, biking. Something different, more spiritual, to bring flag football women together other than our tournaments. We can take up to 20 women for next year, and the festival cost only \$375 for the entire week which included tenting, food and all the women's workshops. Ptown was a blast (as always). You'll see in this tournament, the Ptown loose women on the Fairvilla Loose team. Our last tournament of the year was Guatemala which hosted the largest number of teams ever in Central America with nine competitive teams and the fiercest competition. I'm spending a lot of time sharing with you how great and wonderful our IWFFA international tournaments and events are because it's time our Americans made it over to those lands! Air fares are cheap, and so are these countries. Talk about going to one of these tournaments this year with your team.

For 2024, IWFFA travels to some new lands: Pakistan, New Zealand, Thailand, Canada and El Salvador. We've added a new tournament in Ada, Ohio which will chose for location and cost (cheap!). I hope to see you there! I can write so much here to tell you what our mission and goals are for 2024, but instead you'll read updates during the year in our monthly flag football news.

2025 you'll see professional women's flag football and after 2026, I will prepare for my departure from the IWFFA so that our women's teams and league around the world can take control of the organization. Women should rule their own sport and make it grow. I will still be coaching girls flag football in Key West and running the Kelly McGillis Classic, but you'll see a new IWFFA organization with new leaders.

I hope you enjoy yourself at our 32nd Kelly McGillis Classic and I hope you play your best flag football ever.

Sincerely,
Diane Beruldsen

BLUE HEAVEN AND SALUTE RESTAURANT - Owner since 2010 -

Shares Team Owner for Key Largo Girls Flag Football Team - On September 19, 1992 Suanne the artist and Richard the writer cooked and served black beans, rice, and fish to their first lunch customers on the painted picnic tables under the tropical almond tree of their fine outdoor dining area. Before then, through the years, the property has hosted cock fighting, gambling and Friday night boxing matches refereed by

Ernest Hemingway. A dance hall, a bordello and a playhouse have occupied the second floor. Today inside the Bordello Gallery above the restaurant, one can still peek through the sliding peep holes into the tiny rooms.
 The restaurant has grown, just as the history and stories of the property itself, and has turned into one of the most fun, delicious and popular places to dine. ► **Actress Kelly Mc Gillis - Our Name Sake.** Kelly had loaned her name to this event in 1999, thus giving much media and press coverage for our female athletes. It was Kelly who stipulated that in order to use her name, the tournament must include girls and have a parade*. Kelly herself had played twice for the "Loose Women's Team". given out all the awards during many of our tournaments. Kelly has been raffled off for our fundraisers, directed and guided actors during our flag football events "So you think you can act", an "Evening of Monologues". She is an acclaimed actress starring in *Witness*, *Top Gun* and *The Accused* to name a few. This year, Kelly will be our

judge for as many things as possible. Friday night at the Drag King show, Saturday night Ms. IWFFA contest and what other contests we can come up with.

► **Diane Beruldsen – President / Founder of the IWFFA and KWWFFL and tournament director.**

If there is anything that needs attention to during the week, come and speak to Diane.

Diane has been organizing women's flag football since 1979. The "mother of women's flag football", Diane has grown the sport exponentially by introducing the sport in countries and starting leagues and associations in the USA and around the world. One of her greatest achievements for the sport was finding a way to get 72 female Afghan flag football players and their families out of Afghanistan to Mexico where they received asylum. Her goal is to take female flag football to it's highest level while unifying women's and girls flag football teams and leagues. Her motto: "Women should rule their own sport" Contact: IWFFA@IWFFA.COM - +1 (305) 896 - 8678

TOILET RELAY RACE & DINNER

Every year, this tournament has hosted our traditional toilet relay race. We meet at Brady's Pub (ex Sally O'Brien's) to first eat & drink. Brady's has a full bar, menu filled with tons of comfort foods: pizza, burgers, salads, Shepard's pie, fish & chips, meatloaf, etc. After we eat, teams will divide into toilet relay teams of (4) . You'll have time to talk strategy to figure how best to pull this off. First person with money in hand (\$2) starts off just outside Brady's Pub. She will run to the next corner handing off the money to her teammate, who then runs to next corner. The 3rd person runs into the: "Corner Grocery Store", buys a roll of toilet paper, gets

receipt, exact change and hands off to the 4th runner who runs to the finish line just outside Brady's Pub. Better make sure you have the receipt and exact change because if you don't, you can't win. Prizes to the Winners.

OUR MOM COACHES

We promote female coaches, and encourage moms to get on the field to coach their daughters for several reasons: For our girls to see women as leaders, to offer the chance for moms to bond with their daughters, to create the female style of playing flag football. Some of our moms

are coaching for the first time, and some are veterans. We don't care if our moms have never coached before, or if they know nothing of flag football (everyone has their first day on the job). What we do care is that we create the female style of coaching girls flag football.

We've created a community of female coaches and would like to recognize them for their willingness to support their daughter's flag football.

Many Thanks to all our Mom Coaches

Women's Friday Night Party - Drag King Contest & Dance @ Sidebar

Each team is asked to have one woman represent their team in the drag king contest which will be hosted by local Drag King: Bruce Key. The contest will be judged by Kelly McGillis (movie, theater actress) and Terri White (Broadway actress & singer). Terri is blind, so appearance will be just one factor in the judging department. Lip sinking will be another element in the contest as well as appearance, attitude, confidence. "Drag" involves people wearing clothes stereotypically worn by their other gender. Drag, however, is often more exaggerated. Where the term "drag" came from is unclear, but it may have been inspired by the heavy dresses that people once wore at cross-dressing balls that dragged across the floor back in the 1800's. We invite up to 15 women to compete for the \$100 prize. Email IWFFA to register. If you come early, King Bruce can help with your wardrobe (bring your own) and make-up. Women's Dance to follow the drag show. No Admission. Starts at 8PM, show at 8:30 and contest at 9PM.

Rachel Georgelas: Champion for Women's Empowerment in Flag Football

Rachel Georgelas, a trailblazer and advocate for women's empowerment, has become a driving force behind the International Women's Flag Football Association (IWFFA). Her passion for equality, coupled with her dedication to promoting girls' flag football, has led her to take on the role of the benefactor for the prestigious 32nd Kelly McGillis International Female Flag Football Championships.

contributing to the growth of women's flag football but also setting an example for her daughters and other

aspiring female athletes. She firmly believes that sports have the power to instill confidence, resilience, and leadership skills in young individuals. By investing in women's flag football, Rachel aims to create a space where her daughters and countless others can

thrive, compete, and excel.

Born into an athletic family that values equality and fairness, Rachel has always been inspired by the idea that everyone deserves an equal opportunity to pursue their dreams, regardless of gender. This conviction became even more pronounced with the birth of her three daughters, whom she envisions growing up in a world where they have the same opportunities as their male counterparts.

Rachel's commitment extends beyond just financial support; she actively engages with the IWFFA community, attending events, and connecting with players to understand their experiences and aspirations. Her dedication to fostering a sense of community and camaraderie within the women's flag football scene is reshaping the landscape of the sport.

Rachel's journey into the world of women's flag football and her involvement with the IWFFA began with a desire to make a difference. Witnessing the challenges that women often face in sports, she recognized the need for a platform that not only celebrated their talents but also provided opportunities for growth and development.

Through her efforts, Rachel Georgelas is not only leaving a lasting impact on the IWFFA but also contributing to a broader movement towards gender equality in sports. Her vision for a world where her daughters can chase their dreams on an equal playing field is reflected in every initiative she undertakes, making her a true beacon of inspiration for aspiring female athletes everywhere.
